

# Freedom of Health!

## Helping People Reach Their Wellness Goals...

### No Matter Where They Are in Life!

#### In a recent survey:

- **91% say they live a healthier life** because they are better educated about health and fitness through our messages.
- **69% can now afford to buy healthier groceries** and feed their families more healthful meals.
- *"Shopping this way has become a way of life for our household and we are definitely healthier because of our membership."*

#### A Few Examples of People We've Helped:

- A construction worker who needed help naturally lowering his cholesterol because he wanted to get off prescription medications.
- A new mother who wanted to eliminate the toxic traditional cleaners from her home and needed more energy.
- An artist who needed help concentrating.

## Your Interests At Heart!

- Better health
- A safer, non-toxic home
- A cleaner environment
- Value for your dollar
- Convenient shopping
- Rewards for loyalty
- Revenue sharing

#### Together we can create a better tomorrow:

- Healthy living should be **easy and affordable** for everyone.
- Everyone should have **control** of their family's well-being.
- Educated shoppers make **wiser** decisions.

#### We Believe that...

- *We have more control over our health than we have ever been led to believe.*
- *We need to leave sustainable Wellness traditions behind for our children and grandchildren.*
- *Consumer product manufacturers should be held accountable to product performance, safety, ingredients, value, price point and profit sharing.*
